

iPod/Audible Books Leadership Project

iPods are provided as a long term loan from the AEA13 Media Center.

If you are no longer part of this project, please return the iPod to AEA13.

Audible.Com accounts, and the books in them, are given to each participant.

Instructions for purchasing additional titles:

Use a Web Browser to access the books in your audible.com account by logging into your account at:

<http://www.audible.com>

In the upper right hand corner, click <MEMBER LOGIN> and enter your username, password. Click the <SIGN IN> button.

Your username is: firstnamelastname

Your password is: aea13

Once logged into your account, choose <MY LIBRARY> to see the leadership books that have been pre-loaded into your account. Click on <DOWNLOAD IT> to move a copy of the audible book to your computer.

Tip: Customize your Library View by selecting **ALL** from the drop down menu item referenced by “Purchased Within the” on the screen.

Be sure that you have the latest version of iTunes installed on your computer. If not, the download should prompt you to update iTunes.

Once downloaded, the books will auto-play from iTunes.

From iTunes, you may plug in the iPod to your computer, and use iTunes to sync the titles from iTunes to your iPod for later listening.

If you have problems with your audible account, please contact our technology consultant, Maryann Angeroth mangeroth@aea13.org or Judith Griffin judy@aea13.org . If you need assistance with iTunes, the iPods, or your computer, please contact your district's Technology Coordinator or tech support personnel for assistance.
